### Part-time Trademark Attorney

**Tired of the hassle of finding your own clients?**

**Looking for a firm that will invest in you?**

We are looking for an experienced trademark attorney (minimum 4 years of trademark prosecution) to become a valuable member of our client-focused team and to grow along with our actively growing practice. We invest in our team members, *e.g.*, we **pay above market value**, give **annual merit-based bonuses**, and provide an **annual budget for CLE**.

### Hours and Compensation

This is a part-time position requiring an average of 10-15 hours per week to start, with an increasing workload. Compensation will be on an hourly basis for both client-billed time and time spent on tasks in support of the firm, such as team meetings. Amount will be based on experience.

### The Position

This position offers a professional setting with the resources and support of an established trademark practice, but without the constraints of a traditional law firm, and includes:

- Flexible hours
- Ability to work from anywhere
- Significant client contact and potential for client management
- Opportunity for expanding into additional areas of interest
- No requirement to engage in client development, but bonuses if you choose to do so
- Minimal administrative activities, with your time paid
- Merit-based annual bonus
- Annual budget for online CLE

### Nature of the Work

This person will prepare and prosecute federal trademark applications, including working with clients to determine the best strategy for their needs, analyzing availability searches, and responding to Office Actions; and work on TTAB cases.

The successful applicant **must**:

- Have significant (minimum of 4 years) trademark prosecution experience
- Be licensed in at least one U.S. state
- Pay close attention to detail and accuracy
- Be organized, analytical, and goal-oriented

- Have excellent communication skills
- Have strong legal writing skills

### About Our Firm

We are a very team-oriented firm with a strongly client-focused practice. In addition to Gretchen, our primary team member is our Firm Operations Manager, who is also a certified trademark paralegal. We work with a network of attorneys and other professionals as needed.
